

The Nate Smith Basketball Club Rampage is an elite, invite only travel basketball club. Unlike many other travel basketball programs, NSBC focuses on the overall development of each player both on and off the court.

The Nate Smith Basketball Club provides some of the finest basketball instruction in the country. It is one of the only clubs nationally to have five former college/professional players on staff that serves as coaches/teachers and mentors.

As you can imagine, travel basketball is expensive. We want to showcase our talented young athletes and don't want any children to miss the opportunity to play due to financial hardships.

We are asking local businesses/community members to help raise money to sponsor the team. The NSBC Rampage focuses on the development of each of these young athletes both on and off the court to achieve success in basketball and beyond.

Those business/community members wishing to contribute to our club are encouraged to have their names recognized with an advertisement or personal message for team members.

Although the Nate Smith Basketball Club is a taxable entity, ads can be written off as an advertising expense for businesses. Business advertisers/community members contributing over \$100 will be recognized on a banner to be displayed at the Nate Smith Basketball Club training facility on a year round basis.

To make a contribution to our club please fill out the attached ad form with your business and contact information along with the amount of your contribution.

All contributions will be used to help fund scholarships for our players and travel expenses. Your support will be greatly appreciated by the youth in our community.

If you have any further questions or would like to discuss further sponsorship possibilities with the Club, please contact Nate Smith, NSBC director, at (304) 376-2190 or Email natesmithbasketballschool@comcast.net
